Art Unit: 1615

The reply filed on 7/23/07 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): In response to election of species, applicants canceled claims 1-17 and added claims 18-29 and point out that new claims obviate the need for a restriction based on species. It is a search burden to examine all the species belonging to “amylose containing starch”. In response to this non-responsive amendment applicant is required to elect one single disclosed species belonging to “amylose containing starch”.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JYOTHSNA A. VENKAT Ph. D whose telephone number is 571-272-0607. The examiner can normally be reached on Monday-Friday, 10:30-7:30: 1st Friday off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, MICHAEL WOODWARD can be reached on 571-272-8373. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
